

Races D6 / Napanese (Near Human)

Napanese

Napanese are a race of near humans from the high gravity world of Napan. Napan is a small rural world out of the way of the rest of the galaxy. The world of napan is most famous for producing some of the galaxy's best swordsmen and martial artists. Napanese appear to be human generally, except for overly large and colourful eyes, and oddly styled and coloured hair. They are very strong and agile people capable of great acrobatic feats. Many Napanese never get off the world of Napan, one of the most famous is Hiro Teshobi, a young man cursed forever to be trapped at age 16. He became a Jedi and a hero throughout the New Republic.

Agility: Napanese are incredibly nimble and agile. At character creation they gain an extra 2D skill dice to put in either Acrobatics, Dodge, or split up between the two.

Toughness: For an unexplainable reason, Napanese are tougher than usual and can retain consciousness and keep fighting after a human would have fallen over dead. Damage Chart is as Follows
