

Name: Sowsquatch

Eye color: Green

Dexterity: 2D

Perception: 2D

Strength: 5D

Special Abilities

Fangs: Sowsquatches have a mouth full of razor sharp fangs which can do Str+1D damage in combat, their mouths are natural factories for bacteria and infections, meaning any target which takes damage from a Sowsquatch bite will need further medical attention or their wound will become infected weakening and potentially killing them over time.

Tamable: Although lethal predators, when fed these animals can be fairly easily trained and will not hunt and attack unless they become hungry or feel in danger, and can be used as a slow but lethal riding beast.

Move: 17

Orneriness: 2D

Description: Sowsquatches were four-legged animals with sharp teeth. Kulltu Kutta rode a sowsquatch during battles in the Cauldron on Rattatak.
