Description: The Alderaan guard was a security force responsible for the protection of members of the House of Organa, the royal family of the planet Alderaan.

History

During the Clone Wars, Alderaan Senator Bail Organa was attacked in a parking garage by several thugs wanting to stop him from giving a speech in the Senate. Organa pushed an emergency button summoning several guards and the Coruscant Police. Though the thugs were arrested, Organa's

speeder crashed and he was severely injured. The guards notified Senator Padmé Amidala before taking Organa to a hospital.
