Technical Skills:

Primitive Construction: Time to use: one hour for gliders and rope bridges; several hours for small structures, catapults and similar constructs. This is the ability to build structures out of wood, vines and other natural materials with only primitive tools. This skill is good for building study houses, vine bridges and rock-hurling catapults (2D, speeder-scale damage).

Special Abilities:

Skill Bonus: At the time the character is created only, the character gets 2D for every 1D placed in the hide, search and sneak skills.

Skill Limits: Beginning characters may not place any skill dice in any vehicle (other than glider) or starship operations or repair skills.

Smell: Ewoks have a highly developed sense of smell, getting a + 1D to their search skill when tracking by scent. This ability may not be improved.

Story Factors:

Protectiveness: Most human adults will feel unusually protective of Ewoks. Because of this, humans can also be very condescending to Ewoks. Ewoks, however, are mature and inquisitive — and unusually tolerant of the human attitude.

Description: Romba was a male Ewok from Endor. A hunter, he once slew a boar-wolf, and then fashioned a knife from one of its teeth. One night, upon returning from hunting, Romba found that his village had been burned by the Galactic Empire, whose troops had come to Endor to build a shield generator and a troop base. Since his whole tribe was dead, Romba became a refugee, and he ended up finding shelter in the Bright Tree Village, led by Chief Chirpa. After a few heroes of the Alliance to Restore the Republic befriended Chirpa's tribe, Romba was one of the many Ewoks that took part in the ground operations of the Battle of Endor, during which the Alliance defeated the Galactic Empire. Through their triumph, Romba won justice for his lost village.
