FORCE SENSITIVE N
FORCE POINTS 1
DARK SIDE POINTS 1
CHARACTER POINTS 3

Description: Kane, also known as Steel Claw, was a Nikto racer who participated in Riot Racing on the planet Serolonis. Kane worked with another racer Jet Venim to grab hold of opponents who threaten Venim's chance on winning.

In order to guarantee Venim's number one spot, he deployed his eponymous gadget which violently yanked the second place out of the running entirely. This maneuver was called "The Crunch".
