Space: 1-3/12/25

Atmosphere Range: 100-300/1.2/2.5km

Damage: 7D

Description: The Nova Quest Assault fighter is a similar design to the StarViper design, but is slightly larger and although is designated as a fighter is actually a small space transport. This "fighter" is very popular with bounty hunters who can add advantage of the small living quarters and convert the cargo space into holding cells.
