Game Notes: A sweet treat.

Description: The Mossberry Biscuits are a type of biscuit made with mossberries. Around 233 BBY, Hap made Mossberry Biscuits for his café Hap's Sap Tap, in Kublop Springs on the planet Tenoo. Many years later, the biscuits were available at Kat Saka's Kettle and Docking Bay 7 Food and Cargo on Batuu during the time of the First Order-Resistance War in 34 ABY.
