Description: Cyrus Vuundir was a prince of the planet Vuundalla. Unbeknownst to his parents, he also operated as a pirate under the alias Taborr Val-Dorn. The pirate once stole the lightsaber of Jedi youngling Kai Brightstar, and often came into conflict with Brightstar and the other Jedi younglings of the planet Tenoo, including Lys Solay and Nubs. However, as Cyrus Vuundir, the prince befriended the three younglings when they visited Vuundalla.
