Description: Al'doleem, also known as the river moon of Al'doleem, was a moon located in the galaxy's Mid Rim that the droid Arex spent many years on with many Jedi. During the early stages of the Great Jedi Purge, Jedi Master Kirak Infil'a lived in seclusion on the moon.

Places of Interest

Am'balaar City

Am'balaar City was a city located on the river moon of Al'doleem. The city was destroyed when Darth Vader burst the local dam, resulting in the entire city being flooded.

Am'balaar city dam

A dam was located in Am'balaar City on the river moon of Al'doleem. During his mission to Al'doleem, the Sith Lord Darth Vader destroyed the dam, causing the entire city to flood.

Jogg and Mareena's garage

The Tholothians Jogg and Mareena owned a garage in Am'balaar City on the moon Al'doleem. Jedi Master Kirak Infil'a stored a starfighter in the garage. The garage was destroyed when the Sith Lord Darth Vader destroyed the city's dam, causing the entire city to over flood.

Mount Pasvaal

Mount Pasvaal was a hollow mountain located on the river moon Al'doleem in the Mid Rim. A Jedi monastery was located on the summit of the mountain, while the interior of the mountain itself was a labyrinth of tunnels, chambers, and temples. For thousands of years, the Jedi Order used Mount Pasvaal as a storehouse for artifacts, including countless holocrons. With the rise of the Galactic Empire, Pasvaal was emptied of artifacts and converted into a high-security military installation. Code-named Pasvaal, the Empire exposed a side of the mountain's interior, and converted several chambers into large hangars which loomed over Am'balaar City.
