Planets D6 / Samaz

Name: Samaz
Class: Terrestrial

Description: Samaz was a terrestrial planet located on the Galactic Frontier that was home to a primitive species.

Places of interest

Village

A village was located on the planet Samaz and was inhabited by members of an alien species. Inhabitants of the village included Eesha and his mother and father. The village was destroyed when members of General Nawaam's army bombed it while searching for the Jedi Lah Kara, who was staying nearby.
