Vetricon BV-14 Blaster Rifle

The Bv-14 is the primary weapon for Hammer's Slammers Infantry. They often use the BV-14 as they close in, and ocne they close to close quyarters combat they switch over to using the BV-13 carbine for all the closequarters combat. An udnerbarrel grenade launcher helps add an extra punch to the rifle which allows the wielder to deal with secured empalcements of enemies, such as trechhes,foxholes, pillboxes, and bunkers. The BV-14 is generally considered a superior field blaster, at least it's thoguht so by Hammer's Slammers.
