

# Equipment D20 / Vetricon BV-14 Blaster

## Vetricon BV-14 Blaster Rifle

The BV-14 is the primary weapon for Hammer's Slammers Infantry. They often use the BV-14 as they close in, and once they close to close quarters combat they switch over to using the BV-13 carbine for all the closequarters combat. An underbarrel grenade launcher helps add an extra punch to the rifle which allows the wielder to deal with secured emplacements of enemies, such as trenches, foxholes, pillboxes, and bunkers. The BV-14 is generally considered a superior field blaster, at least it's thought so by Hammer's Slammers.
