

Weapons D6 / Vetricon BV-15 Repeating

Vetricon BV-15 Repeating Blaster Rifle

The BV-15 is one of the more powerful light repeater available on the market. It is illegal for civilians to carry on most worlds. It packs the same punch as the old BlasTech T-21 but has an expanded power pack and a high fire rate. Its range surpasses that of many average blaster rifles, and with its constant fire mode it can lay down a large spread of fire against enemy lines.
