Weapons D6 / VerdanTech VT-7 Pistol

VerdanTech VT-7 Pistol

The VT-7 is a very small pistol at only about 7 inches long. It has a 13-round clip
and fires 10mm amunition. Despite the fairly high bore ammo, the psitol is comapct and
fairly lgihtweight. It has excelelnt trigger tension ad reasonably little recoil. It's range
isn't as good as the VT -4 and -5 models but it can fire off at the same high speed and packs
slightly more stopping power.
