

Weapons D6 / Iotran Police Force Issue

IPF Issue Sidearm

This is the standard weapon used by Iotran Braceman, the most feared law enforcement officers of the Iotran Police Force (IPF). The Iotran Bracemen Council is an elite corps of special agents assigned the duty of tracking down criminals outside of Iotran patrolled space. Bracemen are tireless hunters, needing a weapon capable of standing up to any rugged conditions that it may face. The standard IPF issue firearm is a powerful weapon and is one of the quietest firearms ever created (as quiet as a firearm can reasonably be without a silencer).
