Weapons D6 / Nightwatch Baton-Vibroblade

Nightwatch Baton-Vibroblade

The Nightwatch baton is two weapons in one: a simple baton and a vibroblade.
Manufactured by Galactic Cutlery, the Nightwatch is intended to give simple
security guards or even the average citizen an added means of defense.

In form, the Nightwatch is a light-weight durasteel baton with a wrist strap.
However, inside the baton is a deadly vibroblade. The user simply needs to
unscrew the casing to withdraw the blade. At this point the user my discard
the casing temporarily and use the vibroblade or screw the casing onto the
bottom of the handle to increase the handle's overall length.
