

Weapons D6 / Blast Pike

Blast Pike

Lumnar Industries has begun to gain a reputation for designing strange weapons and mass producing them for the open market. The Blast sword is a polearm-blaster hybrid. Used not for dueling or main combat, this is an ornamental weapon mostly. It is seen on some worlds, used by official guards. It also has possible applications for crowd control and actual battle, but is rarely seen used for such.

Model: Lumnar Industries Blast Sword

Type: Blaster-Sword Hybrid

Scale: Character

Skill: Melee Combat: Blastsword

Difficulty: Moderate

Cost: 1,200

Availability: 2, R

Damage: 2D-5D+2

Game Notes: The user may set the damage to anywhere in the above listed range. This was done for duels when opponents don't wish to fight to the death.
