

The Voice

The Skill known as The Voice is a talent taught secretly among the organization known as the Bene Gesserit in so called "Un-civilized Space". In this particular area of Uncivilized space, major intergalactic houses feud with one another within a loose alliance. The Bene Gesserit, an all female secret society, manipulate all those around them while taking the posture of being uninvolved. They are widely regarded as "witches" and not trusted very far. The voice is one of their abilities which give them power. When issuing a simple command using The Voice, a victim finds themselves very hard pressed to disobey. It uses mental discipline and force of will to use The Voice, as well as extensive training, however it's one of the first things a Bene Gesserit Adept learns. It is closely guarded in its teaching though.
