

# Starships D6 / Darkwing Squadron TIE D

## Darkwing Squadron's TIE Defender

Darkwing Squadron is the Empire's top elite fighter squadron. Unlike the New Republic, which put its top elite squadron, Rogue Squadron, in older out of date starfighters, the Empire elected to give Darkwing Squadron the most advanced starfighters in the galaxy... the deadly TIE Defender. Darkwing Squadron's TIE Defenders are slightly upgraded with better sensors, slightly stronger shielding and a faster hyperdrive than a standard TIE Defender. Darkwing Squadron is the is the highest decorated fighter unit in the history of the Empire and is used only on the most prestigious of missions.
