

Vehicles D20 / RanCorp Demolisher Rep

Demolisher Repulsor Tank

The demolisher is a very simple light tank. It is fairly small with smooth rounded features. It is very fast and agile for a tank and can get to trouble spots in short order. It is equipped with twin heavy blaster cannons, one over the other. Though it's armor isn't very strong it is fairly manuverable and these tanks are usually in groups anyways. It is a very popular open market tank.
