Range: 1-5/15/30
Atmosphere Range: 2-10/30/60km
Damage: 6D

Note: While all the Mon Cal vessels provided valuable capital ship firepower for the under-resourced Rebel Alliance, Home One and her sister ships served specifically as high-level command ships, with two of them acting as mobile headquarters for the Alliance High Command. The Independence served in this role before the Battle of Yavin, and the Home One from the Battle of Hoth onwards.
