Description: The NN-14 blaster pistol was a blaster pistol manufactured by LPA. The blaster featured a compact grip, enlarged power core, reinforced frame, a safety switch, armored body shell, and flash suppressing/stabilizing muzzle. Han Solo owned one such pistol, but he later gave it to the scavenger Rey, who went on to use the blaster against the First Order. When she went to find Luke Skywalker, she was seen with a holstered NN-14.
