Move: 10

Equipment: Blaster pistol 4D, Imperial Combat Pilot Armor (Head, Body + Arms (+2D Physical, +1D Energy) Legs (+1D Physical, +1 Energy), -1 Move)

Description: Imperial combat assault tank pilots, or tank troopers, were Imperial combat drivers specialized in operating the TX-225 GAVw "Occupier" combat assault tanks. Under Imperial occupation, the streets of Jedha were patrolled by Imperial combat assault tanks, which were operated by two pilots. Those perched in the command seat of the vehicle, barking out orders to the combat drivers within, were the Imperial combat assault tank commanders.
