Equipment D6 / Mon Cala crab

Model: Mon Cala crab
Type: Restraining Device
Cost: 1,600
Availability: 2, R

Description: Mon Cala crabs were repulsorlift restraining devices used on the planet Mon Cala, consisting of an octagonal base and bifurcated hexagonal top with two pincer arms used to clamp onto a prisoner's limbs.

During the Battle of Mon Cala, Riff Tamson used two Mon Cala crabs to hold Senator Padmé Amidala and Junior Representative Jar Jar Binks.
