Model: Zygerrian blaster rifle
Skill: Blaster: blaster rifle
Ammo: 100
Cost: 1400 credits
Availability: 2, X
Range: 2-20/100/250
Damage: 5D

Description: This medium sized blaster rifle model was used by the Zygerrian slavers during the Clone Wars. It was one of the two favored weapons of the Zygerrians, the other being the shock whip. On one setting, the blaster rifle was capable of generating a large explosion on contact with solid objects. Hondo Ohnaka's pirate gang also made use of these weapons.
