Equipment D6 / Holotrace device

Model: Holotrace device
Type: Communications Tracing Device
Scale: Character
Cost: 13,000
Availability: 2, r
Game Notes: Can be used to determine and record the origin point of any Holographic transmission.

Description: A holotrace device could trace a Holo-transmission back to source of the transmission. Lux Bonteri used one such device to trace Count Dooku when brought before his hologram, when the former accused him of murdering his mother.
