Equipment D6 / Holobooth

Name: Holobooth
Type: Holographic Communications and Entertainment System
Scale: Character
Cost: 1 credit per 10 minutes use.
Availability: 2
Game Notes: Can be remotely connected to computers and other communications systems, also has a library of entertainment such as simple games and video programs.

Description: Holobooths were a small kiosk in which patrons could experience a three-dimensional hologram of their choosing. Meant to immerse a gamer in their environment, holobooths were known to be used in less-reputable forms of entertainment.
