

Glistaweb

Type: Yuuzhan Vong fabric

Effect: Clothing made of Glistaweb grants an armor bonus of +1D+1 versus energy attacks.

Special: Yuuzhan Vong Biot: Yuuzhan Vong Biots, like themselves, are completely undetectable through the Force, and cannot be directly affected by it (indirect methods, such as throwing a rock at the biot, still work, but powers such as Lightsaber Combat, Detect Life or Telekinesis do not work).

Description: Glistaweb was a fabric used by the Yuuzhan Vong to create clothing. It had a glowing appearance due to a charge-neutralizing field generated along it. It was capable of guarding (and even deflecting) blaster fire. Nom Anor wore Glistaweb when he addressed the New Republic Senate, and survived the subsequent assassination attempts because of it.
