The Force D6 / Force Stasis

Force Stasis

Control Difficulty: Difficult.
Alter Difficulty: Target's Control roll, Willpower or Difficult for fast moving objects such as blaster bolts.

Description: Force Stasis was an ability of the Force to forcibly restrain and immobilize people or to halt objects headed in a Force-user's direction, such as blaster bolts or fire.

Yoda used this power to freeze Asajj Ventress in place as she tried to kill King Katuunko.

Anakin Skywalker, known as Darth Vader during the days of the Empire, used this ability to freeze two Inquisitors; a female Inquisitor and a Twi'lek Inquisitor.

Kanan Jarrus used the Force to prevent Hera Syndulla from moving and running towards him, while also containing an explosion and subsequently saving her life.

During the attack on Tuanul, Kylo Ren utilized this ability to hold off a blaster bolt headed in his direction long enough for him to talk to Poe Dameron, and then released it after moving out of the way. Later, during the Battle of Takodana, Kylo Ren utilized this ability to capture Rey, shortly before forcing her to fall unconscious.
