Description: Spoilt Sport was Wheel Administrator Simon Greyshade's private yacht, which he kept aboard The Wheel. He allowed Luke Skywalker and Princess Leia to escape the Wheel in the vessel, staying behind to buy them time by holding off pursuing stormtroopers. The vessel was ovoid in shape, with three large, flashy fins. It had three thruster nozzles and two aft boarding ramps.

Luke and Leia later traded the ship on Centares to Jorman Thoad for what they thought would be a less conspicuous and better equipped ship for running the Imperial blockade of Yavin 4.
