Description: Shahn was a Human male with light brown hair and a thick brown beard.

Shahn was a communications officer working for the Rebel Alliance under the command of Princess Leia Organa. He was part of the crew of the central Kerts-Bhrg generator during the project where they planned to hide the Alliance Fleet within the chromosphere of the Arbran sun. He received a warning from the base on Arbra that scanners had detected Imperial craft entering the quadrant, and relayed the warning to Leia.
