Description: Imanuel Doza was a human male who served as a captain in the Galactic Empire around the time of the Battle of Endor before defecting. By the time of the cold war, he operated as captain of the refueling station Colossus during the era of the New Republic. His daughter with a female Rebel pilot was Torra Doza, a young Ace pilot who resided with her father in the station's upper levels.

Imanuel Doza was an Imperial officer who held the rank of captain during the reign of the Galactic Empire. However, Doza defected from the Imperial Military around the time of the Battle of Endor. Following the end of the Galactic Civil War, Doza married a former Rebel pilot and had a daughter, Torra. Doza and his daughter eventually lived on Castilon's Colossus refueling platform, where he eventually became the station's operator.
