Description: Nod was a male Snivvian criminal who lived on the Colossus on Castilon. He was regularly seen with his brother Narb at Aunt Z's Tavern, the Colossus marketplace, or watching the usual races that took place. One night, the two got into an argument and caught Kazuda Xiono spying on them. They threatened him, but he got away. Nod later went looking for Narb after he did not return from trying to rob the Office of Acquisitions. He pointed a blaster at the owners, but they tricked him into standing on a trap door and activated it.
