Planets D6 / Kabray + Kabray Station

Name: Kabray
Region: Mid Rim
Sector: Corweillian sector
System: Kabray system
Grid coordinates: P-15
Trade routes: Corellian Run
Primary terrain: Forests, Volcanoes
Points of interest: Kabray Station
Immigrated species: Humans, Stenaxes
Primary language(s): Galactic Basic Standard

Description: Kabray was a Mid Rim forest world orbited by the Kabray Station, a neutral meeting place for diplomats from all over the galaxy.

It was on Kabray Station that Leia Organa impersonated Shirley, the Chanteuse of the Stars, while searching for Tay Vanis. Leia later went to Kabray to reassure representatives of the Alliance of Free Planets that the Alliance would not be merely a new Galactic Empire, but she and the delegates were captured by Nagai. Leia's Zeltron aides helped free Leia and defeat the Nagai.

Name: Kabray Station
Class: Space station
Complement: Transport shuttles
Other systems: Buoys, Docking piers
Region: Mid Rim
System: Kabray system
Planet: Kabray

Description: Kabray Station was a space station in orbit above the Mid Rim world of Kabray.
