Description: Gee Long was a male alien from the Umboo province on Roon. Gee was friends with Auren Yomm a champion of the Roon Colonial Games. Long was a competitor as well and rode alongside a droid named BIX and was lead by Yomm. During the games one year, Long was poisoned and Bix sabotaged by the competition. Luckily, Auren had friends that were able to fill in, a trader named Mungo Baobab and C-3PO. They won.
