Description: Ravinak were large tusked creatures that inhabited an icy planet, swimming underneath the ice. One of them attacked a landspeeder, destroying the craft and killing its human pilot. That ravinak then attacked the Razor Crest, a gunship flown by a bounty hunter known as the Mandalorian, who was attempting to leave the planet with his Mythrol bounty. The ravinak grasped the landing gear of Razor Crest as it was mid-flight and began pulling it down, but it was repelled by the Mandalorian.
