- Acoustic signaller
- Small (20cm. by 8 cm.) internal "cargo" area

Move: 5
Size: 1 metre

Description: R6-D8 was a masculine-programmed R6 astromech droid that served in the Resistance as the astromech of Temmin Wexley. He perished alongside his master when their T-70 X-wing starfighter was downed into a Star Destroyer by Final Order fire during the Battle of Exegol, moments before the allied fleet arrived at the scene.
