Description: Chesille Sabrond was a human female who was born on the planet Exegol. She served as a captain in the Sith fleet of the Sith Eternal, and helmed the Xyston-class Star Destroyer Derriphan. In 35 ABY, the Derriphan was the first Star Destroyer selected to leave Exegol, following orders from Allegiant General Enric Pryde of the First Order to destroy the planet Kijimi.

Chesille Sabrond was born on the Unknown Regions planet Exegol[1] in 5 ABY[2] and raised by the members of the Sith Eternal cult, training her entire life in preparation for the launching of the Sith Eternal fleet being built on her homeworld. She eventually was made captain of the Xyston-class Star Destroyer Derriphan within the fleet. In 35 ABY, the leader of the Sith Eternal, the Sith Lord Darth Sidious, made contact with the First Order and granted them use of the Sith Eternal's resources in their war against the Resistance.

With First Order Allegiant General Enric Pryde now in control of the fleet, the Derriphan was the first of the Sith's Xyston-class Star Destroyers launched from Exegol. Under orders from Pryde, they traveled to the planet Kijimi, which had recently harbored members of the Resistance, in order to make an example of the First Order's new might. As the Derriphan approached its target, Lieutenant Milon Lenwith informed Sabrond on the Star Destroyer's bridge that they were within range. The captain immediately gave the order to fire the starship's axial superlaser, which destroyed the entirety of Kijimi. Soon after this display of power, the First Order and Sith Eternal were defeated at Exegol and the Sith fleet destroyed by the Resistance and its allies.

Personality and traits
Like all children raised by the Sith Eternal cultists, Sabrond was raised to revere the power of the dark side of the Force despite not being able to use it. They were also taught the brutal "truth" of existence that might for might's sake is the ultimate end. Sabrond was a human female who stood 1.62 meters (5 foot, 4 inches) and had fair skin, brown hair and brown eyes.

Equipment
Sabrond wore a black and red Sith Eternal officer's uniform which included a black kepi hat with a Sith Eternal crest, black gloves and a black belt with a silver Imperial-style buckle containing an officer's disc.
