Description: Ommo Twilto was an alien who worked with Dered Karno as a mercenary. The pair at one point served as enforcers for the Sith assassin Ochi of Bestoon, a member of the Sith Eternal. In around 21 ABY, Twilto and Karno stood with electroprod staffs braced as Ochi questioned the parents of Rey, who he had been sent to find by the Sith Lord Darth Sidious. Karno watched as Rey's mother claimed that Rey was no longer on the planet Jakku and that Ochi would not find her, after which the assassin stabbed Rey's father with his dagger.

Twilto had brown skin and black hair and eyes. The alien wore brown armor of plastoid tiles wrapped in leather padding and a gray helmet over a red shirt with brown pants, belt gloves and boots.
