Description: Wilsa Teshlo was a Kessurian female who was born a thilas, second in line to the throne. Refusing to be royalty, Teshlo fled the palace, becoming a pirate in the Veiled Sorority. She targeted corporate haulers working for the First Order, using her private pilot schooling to her advantage. In 35 ABY, Teshlo was one of many unaffiliated individuals who answered a Resistance call for help, assisting with their fight against the First Order and Sith Eternal above the planet Exegol. Teshlo survived the battle, and returned to celebrate the victory at the Resistance base on the jungle moon Ajan Kloss.

Born to a royal family in Kessurian society, Wilsa Teshlo was a thilas, being second in line to the throne. However, Teshlo refused to be trapped in a life of royalty, and fled the royal palace. After Teshlo's disappearance, many assumed that she was kidnapped by pirates, though that was not the case—when Teshlo eventually joined the Veiled Sorority pirate gang, she did so willingly. While part of the Veiled Sorority, Teshlo targeted corporate haulers that worked for the First Order.

In 35 ABY, during the war between the First Order and the Resistance, Teshlo was one of many unaffiliated individuals that received a call for help from Lando Calrissian of the Resistance, requesting reinforcements in their battle against both the First Order and Sith Eternal. Joining a fleet comprised of many similar unaffiliated pilots, Teshlo made her way to the planet Exegol in the Unknown Regions, entering the battle alongside the Resistance. Once the Sith Eternal's fleet was destroyed, Teshlo returned to the Resistance base on the jungle moon of Ajan Kloss to celebrate the victory among the Resistance and other participants of the battle.

Personality and traits
A Kessurian female, Teshlo had red skin, brown hair, and orange eyes. She refused the trappings of royalty, despite it being her birthright, preferring to instead become a pirate. While Teshlo attempted to stay uninvolved with the galactic war between the First Order and the Resistance, she eventually assisted the Resistance in defeating their enemies at Exegol.

Skills and abilities
Before joining the Veiled Sorority, Teshlo received elite private pilot schooling, and used her skills while working as a pirate.

Equipment
Teshlo wore a white flight suit, with a blaster holstered onto her belt. While in flight, she wore an antiquated K-22995 helmet.
