Planets D6 / Vrankis Hotel and Casino

Name: Vranki's Hotel and Casino
Class: Space station
System: Voxx Cluster
Role(s): Hotel and casino
Owner(s): Vranki the Blue

Description: Vranki's Hotel and Casino, also known as Vranki's Casino, was a space station casino and hotel in the Voxx Cluster asteroid field run by the Hutt Vranki the Blue during the war between the First Order and the Resistance.

Voxx Cluster

The Voxx Cluster was an asteroid field located in the galaxy, and the location of the space station Vranki's Hotel and Casino. Hype Fazon once raced in the cluster before leaving for the Colossus, and Vranki the Blue referred to him as the greatest racer to come out of the Voxx Cluster.
