Description: "Sterling" was the nickname of a clone trooper of the 501st Legion's 332nd Company who took part in the Siege of Mandalore. During the siege, Sterling and his unit traveled to reinforce C-deck in the Undercity of Sundari, but were ambushed by the renegade Sith Lord Maul. During the ambush, Sterling was wounded by a blaster hit to the chest, and his unit sustained heavy casualties. Sterling reported to Ahsoka Tano about the ambush and that Advanced Recon

Commando CT-5597 "Jesse" had been taken hostage.
