Description: Ima-Gun Di was a male Kajain'sa'Nikto Jedi Master who served the Jedi Order as a General during the Clone Wars. He was killed on Ryloth helping to save its people.

Personality and traits
Di was a Kajain'sa'Nikto male with orange skin and blue eyes. During the Battle of Ryloth, he had full faith in the Republic, believing that they would deliver reinforcements and aid even without any communications to confirm it. When they did not, he understood the anger of Syndulla. He was willing to sacrifice himself and his clone troopers in order to allow the Twi'lek Resistance and their families to escape. In his last moments, Di and Keeli held out alone, trying to make their last moments memorable ones. The Jedi was greatly pleased to hear that supplies had arrived, dying in the knowledge that his sacrifice to save the Twi'leks had not been in vain.

Equipment
While fighting on Ryloth, Di wore brown Jedi robes with white armored gauntlets that included a communicator. He used a blue-bladed lightsaber in combat.
