Description: Robonino was a male Patrolian bounty hunter who was active during the Clone Wars. He teamed up with Cad Bane, Shahan Alama, and Aurra Sing during the Senate hostage crisis.

During the Clone Wars, Robonino was part of a group that took the Senate Building hostage in order to free Ziro the Hutt. Robonino sabotaged the power distribution network of the Senate Building from the control room. He then triggered the emergency lock-down in the adjacent Senate Office Building, which allowed Cad Bane to execute the rest of his plan. During the hostage crisis, Robonino was able to jump Jedi Knight Anakin Skywalker by grabbing him from behind and electrocuting him while the Jedi fought Shahan Alama and Aurra Sing. After the Hutt was freed, Robonino left the crime scene along with the rest of the group.

Later, Robonino, along with Chata Hyoki, were hired by Count Dooku to intimidate various senators to try to stop a vote on a Senate bill. Dooku later instructed them to assassinate Padmé Amidala but they were unsuccessful. Hyoki was arrested along with Robonino when they attacked Bail Organa in the Senate Building Hangar.
