Description: Nossor Ri was a Quarren male chieftain active during the Clone Wars. Initially loyal to the Mon Cala monarchy, he defected and led the Quarren Isolation League. Tensions led to the Battle of Mon Cala, where Ri and the Quarren Isolation League joined the Confederacy of Independent Systems while the monarchy was supported by the Galactic Republic. Eventually, Ri and his faction became disillusioned and returned to the Republic, and with the combined forces were able to defeat the Separatists.

Ri was killed during the mission to Mon Cala in orbit above Mon Cala while distracting First Order Star Destroyers.

By the time of the Clone Wars, Nossor Ri held the position of chieftain and represented the Quarren on Mon Cala. He was a dear friend of King of Mon Cala Yos Kolina before Kolina's death. When Kolina's son, Prince Lee-Char was to be crowned king, Ri and his Quarren Isolation League eventually defected to the Confederacy of Independent Systems. After the Battle of Mon Cala erupted between the Mon Cala monarchy and the Galactic Republic against the Quarren Isolation League and the Separatists, led by Riff Tamson, Ri and his group became disillusioned with the Separatist cause. Ri came to Lee-Char's aid, saving him from execution by the Seperatists. The Quarrens helped the Republic forces defeated Tamson's droids, and Ri accepted Lee-Char as the king.
