SPECIAL ABILITIES

Aquatic: Gungans are as at home in water as they are in air, capable of holding their breaths for extended periods while swimming, allowing them to remain submerged between breaths for many minutes. Although this does serve them some advantage in a vacuum, they have no resistance to the other deleterious effects that this environment has on their bodies.

Cartilaginous Body Structure: With very few bones, and most of their body supports made

from flexible cartilage, Gungans are resistant to blunt trauma, resisting non-piercing physical damage with a bonus 2D. This offers no protection against projectile weapons, energy weapons or stabbing/slashing weapons such as knives or swords. However it does provide them with impressive resistance to concussion waves such as blast waves from grenades.

Description: Rish Loo was a male Gungan minister who served as a member of the Gungan High Council during the Clone Wars. Loo betrayed the Galactic Republic and the council by conspiring with Separatist leader Count Dooku, using his knowledge of mystical powers to influence Boss Lyonie's mind and prompt him to propose a Gungan army attack on the Naboo capital of Theed alongside Separatist forces. When Anakin Skywalker and Padmé Amidala discovered the plot and removed the control necklace off Lyonie, the latter confronted Loo, who stabbed the Boss. Loo then fled to the surface to meet with the Gungan army, where he claimed that the Naboo murdered Lyonie to spur them to commend the attack. However, his plan was thwarted by Jar Jar Binks, who posed as Lyonie, due to the uncanny resemblance between the two and the fact that Lyonie was unconscious at the time, and revealed Loo's treachery. Loo fled with Skywalker in pursuit. Loo led Skywalker all the way to Dooku's hideout, where Count Dooku ignited his lightsaber through Loo for his incompetence.
