Description: Derrown, also known as "the Exterminator" because of the intense electric fields his body produced, was a male Parwan bounty hunter active during the Clone Wars. He was a part of Cad Bane's group.

Derrown was brought to Serenno, along with other bounty hunters including Cad Bane, Obi-Wan Kenobi disguised as Rako Hardeen, and Embo. He, along with the other ten bounty hunters, would be put in the Box to see who would earn the honor of partaking in a plot to kidnap Supreme Chancellor Palpatine.
