Description: Serra was a Force-sensitive female Human born from Ambria who was the daughter of the healer Caleb.

In 1000 BBY, Darth Bane came to Caleb, poisoned by synox, and looking for someone to cure him. Caleb initially refused to heal him, but when Bane threatened his daughter's life, using the Force to levitate her over a boiling pot, he relented and healed the Sith Lord.

Personality and traits
Serra, like her father, was a good-hearted person who sought to use her healing abilities to help others. She was also strong willed and was able to stand up to anyone.
