Perception: 2D
Strength: 3D

Special Abilities

Sharp Teeth & Claws: Scazz have a mouth full of sharp teeth and a set of razor sharp claws, which are capable of a dangerous bite (Str+1D damage).

Move: 9
Orneriness: 3D

Description: Scazz were creatures that lived on the planet Zeffo. They were vulnerable in bright light due to their poor vision, often residing in shady or dark areas. While visiting Zeffo during the Imperial Era, the former Jedi Padawan Cal Kestis was attacked by several scazz. Their meat was considered to be edible.
