FORCE SENSITIVE - N
FORCE POINTS: 2
DARK SIDE POINTS: 0
CHARACTER POINTS 3

Description: Zerelda Sage was a human female who served as the chief mechanic aboard the New Republic flagship Temperance. She developed a lifelong mistrust of droids during her childhood, when her home planet was occupied by the Separatists amid the Clone Wars. Following the Battle

of Endor, broken equipment that Sage no longer needed was used by New Republic pilots to fashion miniature X-wing starfighter statuettes. Sage worked with Vanguard Squadron, and welcomed Vanguard Five aboard.
